The Petition of Barnabas Drahichy  
of the Township of Sturford in the  
District of Niagara and Province  
Canada, Applicant

Verily Sheweth  
That your Petitioner is the son of a  
U.S. Loyalist and thereby entitled to  
Two hundred acres of the waste Lands  
of the Crown, and that on the 22<sup>d</sup> August  
1820 he did receive a Location for Two  
hundred acres of Land in the Township  
of Esquary in the District of Gore on that  
Account under certain Conditions of  
doing Settling Duties under Orders of Council  
20<sup>th</sup> Dec 1818 of Clearing five acres or more  
hundred acres together with fences  
That your Petitioner did Clear & fence  
Accordingly proof of the same was duly  
made before a J.P. But to your Petitioner's  
astonishment on applying for the Patent  
was informed by the Land Officer that  
the said Land were Relocated both  
having been made that no Settlement  
Duties had been done thereon and  
Although at this time the Patent  
had been issued to the parties then  
claiming under the Relocation a caveat  
was fully entered upon the Map of the  
facts aforesaid. The Patent nevertheless  
did issue. Your Petitioner thus  
being illegally deprived of the same

now prays that your Excellency in Council  
will be graciously pleased to compensate  
him for the two hundred acres (and he  
thinks an allowance should be made  
for the labour of having performed the  
the Settlement duties) in Land Scrip  
so as to enable him to procure an  
equivalent in Land. The evidence  
of his claim is herunto appended notes.

This is to certify that I have by the request  
of Frederick Keen examined the Eastern  
halves of the broken lots No. 18 and 19 in  
the first Concession of the township of  
Essex, and that I found Labam done  
on the said half lots of fallow (that is to  
say) one half of the allowance for Road  
adjoining the 18<sup>th</sup> Lot the timber all cut down  
ready for clearing. The allowance for Road  
adjoining the 19<sup>th</sup> Lot about forty rods cut  
down and made ready as before mentioned.

Also near the centre of the said  
Concession, on the aforesaid half lots, I found  
twenty acres or upward, the timber all  
chopped down. It would appear from the  
decayed state that the timber was in, that  
the aforesaid Labam was all done & long  
ten or twelve years ago — Given under

Dear Sir/

Esquimaux the 15<sup>th</sup> January 1836

I received your letter dated House of Assembly  
15<sup>th</sup> December 1836, informing me that a certifica-  
te of mine was handed to you by Adam  
Hillman, and that the object of certificate  
was to prove that labour had been done  
long since on lots 18 & 19 in the 1<sup>st</sup> concession  
of the Township of Esquimaux. I also perceive  
from your letter that the range lots are mention-  
ed in the certificate, and that the proper  
description is as follows (that is) the East  
half of lot No. 19 & South part of 20 in the 1<sup>st</sup> con-  
cession of the aforesaid Township. I am also  
requested in your letter to make out another  
certificate and address the same to you -

Dear Sir I am sorry that I have  
not complied with your request sooner, my  
reasons for not writing was because that I  
intended to go into the City in a few days after  
receiving your letter, and expected to have an  
opportunity of conversing with you on the subject.  
I have since been in, and went into the  
House of Assembly but failed of our opportu-  
nity of talking with you, as that day appeared  
to be a very busy one in debating the divisi-  
on of Districts - — By the request of  
Frederick Keen of Erin, who was a near

friend to Adam Hillman and others concerned  
I examined the East halves of lots No. 19 & 20 in  
the 1<sup>st</sup> concession in the aforesaid Township of Cass County  
The labour was all done on the East halves or  
hundreds of the said lots, if I have mentioned  
lot No. 18 at all it was a mistake of mine. The  
reason why I designated them the East party  
was that I had not the location ticket for or  
guide, and that ~~the~~ said concession was too small  
to give a full lot of two hundred acrey -

I feel myself quite at a loss to  
make out another certificate unless I should  
have the location ~~ticket~~ ticket as a guide -

I will repeat again that it was the East  
halves of lots No. 19 & 20 that I examined - and  
as near as I can recollect one half of the  
allowance for roads adjoining lot No. 19 was cut  
and cleared a cross the whole front, and about  
forty rods of the allowance adjoining lot No.  
20 done in like manner - also there was  
a very large chopping made near the centre  
of the said concession on both of the aforesaid  
half lots - The whole of the said labour  
appeared to have been done sometime or more  
years ago - Dear Sir if I can be of any

service in assisting to give justice to the proper  
owners of the said land I shall ever be  
ready to do what I can, for there has been

an immense deal of labour ~~do~~ done on the

Sir;

They leave to inclose you two papers relating  
to a Lot of Land, viz: No. 19 (west half) in the  
1<sup>st</sup> Concession of Esquimaux which was  
located by <sup>the late</sup> ~~Barnabas~~ <sup>Franklin</sup> ~~Franklin~~ who previous  
to his decease was in possession of the same,  
and had cleared and improved the said  
Lot to an extent beyond that required to be  
done before the issuing of the Patent, and  
had built a House thereon - as will appear  
by the accompanying affidavit made  
before Henry Trout Esq of the District  
of Gore in January 1834 by two witnesses  
of respectability: -

Upon the decease of <sup>Franklin, a foreigner</sup> ~~John~~ John Scholfield  
became Administrator; and in that Ca-  
pacity latterly applied, on behalf of the poor  
Widow and children of said Man,  
for the Patent of the Crown for said Lot;  
when he was informed at the Surveyor General's  
Office that the said Lot had been located  
in April 1835 by a discharged Sergeant  
upon his affidavit that there was neither  
clearing

Recd 18<sup>th</sup> April 1836

Clearing, dwelling House nor any  
other improvement thereon at the time.

I have therefore to request the favor  
of your placing before his Excellency  
the Lieutenant Governor, the accompanying  
affidavit showing that the necessary settle-  
ment duty had been fully performed  
as required, and that no just cause  
could operate against the Patent issuing  
on that account.

From the representations made me I  
have reason to believe that the present  
occupant gained possession of the Lot  
under false pretences. I pray his  
Excellency will be pleased to cause such  
steps to be taken as will lead to a resto-  
ration of the land in question to the needy  
widow of the late above named ~~ex-<sup>trait</sup>~~  
or as will enable her to claim the same  
before the Heir & Deceased Commission.
